- Must be at least 18 years old with a driver's license or other picture ID to rent watercraft (Renting Adult).
- Renting Adult must leave their driver's license or other picture ID with renting agent.
- The Renting Adult's driver's license or ID will be returned after return of equipment and payment of all fees.
- Renting Adult is responsible for payment of all rental fees upon return of watercraft and other equipment.
- Renting Adult is responsible and liable for watercraft and other users during the rental period.
- **Watercraft and equipment must be returned before specified return by time on rental agreement.** The Rental Agent will not remain open after normal closing hours to assist with return and will notify the Town Police that the rental was not returned.
- Late returns on a date other than when rented will result in the Renting Adult being charged the daily rental rate plus an hourly rental rate starting at time specified return by time listed on the rental agreement on the day rented until the watercraft and equipment are returned during normal operating hours.
- Limited assortments of sizes of personal floatation devices are available for use by watercraft renters and the renting agent cannot guarantee a properly fitting personal floatation device is available for all renters. It is the responsibility of Renting Adult to assure that all users of the watercraft are wearing a properly fitted personal floatation device before being allowed to use the watercraft. Prior to removing the watercraft from storage, the Renting Adult is required to insure all watercraft users have a properly fitting personal floatation device whether provided by the rental agent or user. If all users do not have a properly fitted personal floatation device prior to use of the watercraft, the renting agent will cancel the rental agreement without charge.
- Corresponding paddles, oars and personal flotation devices (as available) are included as part of the watercraft rental rate. A Town boating and fishing permits is not required while boating or fishing from the rented watercraft. A state fishing license may be required.
