PERSONAL PROPERTY & REAL ESTATE TAXES

Town Council sets the tax rates for personal property, real estate, machinery and tools, and mobile home taxes when it adopts its annual budget for the upcoming fiscal year.

Personal property and real estate are assessed as of January 1 of each year by the County Commissioner of Revenue. Personal property assessments are based on vehicles in the taxpayer's possession as of January 1 which are normally garaged, parked or stored in the town. Assessment of real estate taxes is based on 100% of the fair market value.

The Town's personal property tax rate is \$1 per \$100 of assessed value; the real estate tax rate is \$.11 per \$100 of assessed value. **Tax bills** are usually mailed in November and are **due by January 31** of the following year. A 10% penalty is added to all delinquent tax bills.

Interest at the rate of 10% per annum is added and is pro-rated until payment is received. Failure to receive a tax bill will not relieve you of the penalty and interest applied to all past due bills. **Call 829-8220 for tax questions and information.**

If there is a **change of ownership, billing address** or any other change pertaining to your taxes, please notify the **Commissioner of Revenue's** office at **727-3443**.

RECYCLING

Trailers for recyclable goods are available at Dominion Square Shopping Center for newspapers, magazines and glass.

Additional recycling locations provided by the County are located at the following:

- ❖ Laurel Valley Center
- ❖ Behind Culpeper Middle School on Achievement Drive
- ❖ Lignum, VA - Route 3 toward Fredericksburg

GARBAGE COLLECTION

The Town offers weekly residential garbage collection throughout the town on Monday through Friday to approximately 5,000 residences and businesses; however, no collection will be made on holidays observed by the town or in unusual weather conditions or emergencies when the town manager deems it unsafe for personnel or equipment to operate.

Garbage and refuse containers must be set out for collection by 6:30 a.m. on days of collection. Refuse receptacles are not to be placed out earlier than 7 p.m. the day before collection and must be removed by 7 a.m. the following day.

Refuse Containers: Each resident will be provided one 95-gallon receptacle free of charge. Additional receptacles may be purchased from the town. The free receptacle is property of the Town of Culpeper, registered to each address, and must be left at the residence should you move. Any refuse left outside of the receptacles will not be collected, except for cardboard and brush appropriately prepared for collection.

Under no circumstances will personnel enter a residence, apartment, etc. for collection of refuse. Citizens are responsible for the protection of the cans on their premises and refuse that may become spilled or scattered.

The following items are examples of **unacceptable refuse** and ***will not be collected***: construction and cleanup debris, tree stumps, logs, limbs, ashes, residential or commercial junk, dead animals, dangerous materials or substances, industrial wastes, human and animal wastes, and paint.

For questions on the days your trash will be collected, or whether or not an item is acceptable, call the ***Public Services Department at 825-0285.***

Town and County residents may haul their garbage directly to the Laurel Valley Center, located four miles west of town on Sperryville Pike (Route 522W). If you have questions on what is acceptable and not acceptable, call the ***County Landfill at 825-8559.***
