West Spring Street Pole Installation

Town of Culpeper Light & Power Department will be installing a pole at the end of Spring Street on Tuesday, January 19th, work will occur in the area of 329 W, Spring Street and will begin at approximately 8:30 am and should be completed by 11:30 am. During these hours, there will be NO thru traffic starting at South Blue Ridge Ave and to the end of W. Spring Street.

Motorists and local residents should expect delays during this time.

“Motorist are urged to pay attention to changing conditions when in the area during this time,” says Assistant Director of Light & Power Trigg Kincer.
